

IEE Complete Online Publications Package

This comprehensive online collection of journals published by the Institute of Electrical Engineers (IEE) includes the *IEE Review*, which focuses on electronics, electrical and power engineering, communications and IT, as well as numerous other IEE publications covering related subjects. In addition to articles, the database also includes research papers, rapid communications, technical papers, IEE conference proceedings, and colloquium and seminar digests.

E-journals

Cost: \$40,700*

*Cost reflects a five year subscription, requested by the Libraries in order to ensure continuous access to the journals. Please contact B.J. Johnston, Associate Dean of Collections and Departmental Libraries (bj.johnston@wustl.edu or 314-935-5468) for details.
