

*The Talmud*  
Schottenstein edition, in Hebrew

As *the* authoritative record of rabbinic discussions on Jewish law, ethics, customs, legends, and stories, *The Talmud* is a fundamental source of legislation, customs, case histories, and moral exhortations. *The Talmud* has two components: the Mishnah and the Gemara. It expands on earlier writings and is the basis for all later codes of Jewish law and much of Rabbinic literature. *The Talmud* is the core text for the study of Judaism.
