## *Oxford Dictionary of National Biography*

The *Oxford Dictionary of National Biography (DNB)* is an illustrated collection of more than 50,000 specially written biographies of the men and women who shaped all aspects of Britain's past, from the 4<sup>th</sup> century BC to the year 2001. Excluding living people, these biographies cover all of the major figures of the history of the British Isles. The online version contains the full text of all sixty print volumes from 2004 as well as the full text of the original *Oxford DNB*, published in 1921. It allows users to search the contents easily with a variety of search options. The online version is updated frequently with new biographies, revisions, and images.
